INTRODUCTION

MIMI LA SARDINE is an impressive 33.8-metre tri-deck charter yacht, defined by her boho-luxe award-winning interiors. Cantieri Delle Marche built her in Ancona, Italy in 2019.

MIMI LA SARDINE accommodates up to 12 guests in 5 staterooms and two deluxe Pullman beds. The main salon is devoted to lounging and sits adjacent to the open large club space sundeck, ideal for canapes and cocktails outside on balmy evenings. The floating staircase with an encased glass balustrade is a crowning architectural element of the boat, leading guests to the upper deck.

The upper salon hosts a formal dining area with a remarkable table taking centre stage. Located on the main forward deck is the master stateroom and four more spacious staterooms located amid the yacht on the lower deck. Guests can pamper themselves with organic soaps and scented candles made from essential oils.

Located aft on the sundeck, the illuminated glass-walled jacuzzi is elevated three floors high and has the best panoramic views of the entire yacht. The outside deck is furnished by sunpads and offers plenty of leisure space to unwind and socialise. Adjacent to the sundeck is a relaxed alfresco dining and bar area with a covered roof for protection from the wind.

There is a sense of integrating 'the outside in', with sliding doors and outdoor living spaces. The result is a comfortable environment with expansive natural light and open air.

It is obvious when viewing why she was awarded the **2019 Boat International Design and Innovation Award**. The interiors are characterized by a fluid boho-luxe style and elegant use of curved lines, luxurious fabrics and organic shapes in muted tones. The luxury beach house-style grace of superyacht interiors is now homogenous with the ocean. Touches of artisans warps and wefts echo throughout the furniture and soft furnishings. Reclaimed wood provides rich textures, look out for the carved fish sculptures. Plants and shells are scattered around all three decks, reinforcing the yacht's intrinsic relationship with the natural elements. MIMI LA SARDINE is an interior design lover's haven.

The convenience of having gym equipment only forty paces away from the stateroom is ideal for giving you the motivation you need to get fit. Take advantage of the Nordic track SE7i Cross Trainer, weights and ZWIFT cycling machine. Alternatively, you could get out on the water and partake in an all-encompassing activity. Use the water skis or a couple of the seabobs provided onboard and release your inner child. Crashing around on one of the inflatable towables is a giggle.

A dedicated crew of six will ensure that guests every whim and desire is taken care of for you. Gourmet meals are prepared by our onboard chef who caters to dietary requirements.

MIMI LA SARDINE lends herself to temperate climates and is available for charter in France and Italy for the summer season. Explore an abundance of quaint alcoves, secluded coves and clear waters in the West Mediterranean. For a dose of laid back glamour, cruise to the French Riviera. We recommend making a bee-line for Porquerolles' dive-friendly island, where you can use one of the snorkels provided onboard. Then cruise onto Italy for a La Dolce Vita. Visit the Amalfi Coast, stopping en-route to relax in Ischia's thermal springs.
